Other Information: There is a Margaret Morris residing in Pool Road then Upper Church Street between 1851 and 1871. However, her age is not consistent and so it is difficult to prove this is the correct Margaret Morris. If it was correct she married a John Morris from Llanarmon, Denbighshire and had a son William who she was lodging with in 1861 when she was listed as a widow. Upper Brook Street is round the corner from Upper Church Street which then became Pool Road which today is known as Morda Road
